REVIEW PETITION NO. 227 OF 2007
in
O.P.NO. 33720 OF 2001

Dated this the 6th day of March, 2007

O R D E R

The contention raised by the review petitioner in the Review Petition that a plot on the northern side of his property was excluded from acquisition, is not taken as a ground in the Original Petition. It is also not clear from the Review Petition whether the plot which is alleged to be excluded was included in the notification and subsequently excluded. The grounds raised in the Review Petition are not sufficient to exercise the jurisdiction of review. The Review Petition lacks merits and it is accordingly dismissed.
